- (1) Information accompanying shipments of green listed waste and destined for recovery or of waste destined for laboratory analysis or experimental treatment trials pursuant to Regulation (EU) 2024/1157.
- (2) If more than three carriers, attach information for all carriers involved in the concerned shipment as required in blocks (a), (b) and (c).
- (3) Where the person who arranges the shipment is not the original waste producer or collector, new waste producer or collector, information about the original waste producer, new waste producer or collector shall be provided.
- (4, 6) In case of R12/13 operation, also attach corresponding information on the facility where the interim recovery or non-interim recovery directly following the initial recovery is envisaged, as well as, where practical, the facilities where subsequent interim or non-interim recovery operations are envisaged.
- (5) Insert "Same as block 1" or "Same as in Block6", if applicable.
- (7) The relevant code(s) as indicated in Annex IIIA are to be used, as appropriate in sequence. Certain Basel entries such as B1100, and B3020 are restricted to particular waste streams only, as indicated in Annex IIIA.
- (8) The BEU codes listed in Annex IIIB are to be used.
- (9) Where the person who arranges the shipment is not the original waste producer or new waste producer or collector, the original waste producer or new waste producer or collector shall sign. When the producer or collector is not known or insolvent, the waste holder shall sign.
